## Beware of "Spoofing Emails" from Fake Employees of Takasago Thermal Engineering and Our Group Companies

We are aware of "spoofing emails" being sent using the names of employees of Takasago Thermal Engineering and our group companies. We do not have any relationship whatsoever with these emails.

Responding to or opening such "spoofing emails" could put you at risk of phishing scams, bank transfer fraud, malware infections, or other harm. Beware not to respond to or open any suspicious emails.

If you have any inquiries regarding suspicious emails, click "[Inquiries](#)" on our homepage and select "Other inquiry" to send us an inquiry.
